THIS IS TO COMMEND TIFFANY FOR HER UNTIRING ATTENTION IN SHAPING UP THE COMPLEX AND MORE IMPORTANTLY CHECKING ON THE NECESSARY ADJUSTMENTS OF EVERY UNIT DURING THE COURSE OF HER WALKING ROUNDS ON THE PROPERTY. SHE IS ALWAYS CONNECTING WITH THE RESIDENTS TO KNOW WHAT NEEDS TO BE DONE AND THIS OPENS UP A GOOD LINE OF COMMUNICATION. I HOPE OTHERS WILL EMULATE THIS PRACTICE TO KEEP IT GOING IN ORDER TO BRING THE COMPLEX TO THE STANDARD NEEDED. KEEP IT UP TIFFANY AND THE NEW MANAGEMENT SHOULD BE PROUD OF YOU AS YOU ARE DISPLAYING A ~~THE~~ GOOD SENSE OF RESPONSIBILITY!

To Whom It May Concern:

I have been a resident of Shamrock Gardens for 9 years. Since that time I have seen more improvements here in the last 2 months than the whole time I've been living here. Mr. Sobol has made great improvements and respectable. The greatest improvement is insuring the safety of the residents by having security run off the bad guys and starting a neighborhood watch. Also putting up cameras throughout the property and more lighting. Now I feel safe in my home.
