To Whom it May Concern:

I would like to extend a warm  
Thanks to Tiffany for being so pleasant  
and professional during my application  
process. Tiffany has gone over and above  
what was expected, especially when I  
needed it the most! She really knows how  
to make a person feel welcome!

She has a personality that is very rare  
in most black-owned businesses, and that  
laugh..... you're pretty cool!

I look forward to a valued business  
relationship during my stay here at Shamblee  
Gardens and I am sure I will write  
more letters like this one, in the future!

THANKS TIFFANY!

Sincerely,

Rakecia M.

PEACE MY FRIENDS!
